Activity 4: Sound on. Listen carefully and choose the right option

b.- In the school corridors

ERIC

You're Isabella Swan, the new **girl/student**. Hi.
I'm Eric. The eyes and ears of this
school/place. Anything you need. Tour guide,
lunch date, shoulder to cry on.

BELLA

I'm really kind of the more "suffer-in-silence" type.

ERIC

Great/Good headline for your feature

-

I'm on the paper, and you're news,
baby, **front/principal** page.

BELLA

Please don't have any sort of....

ERIC

Whoa, relax. No feature. Cool?

c.- In the gym

MIKE

Ow!

BELLA

(hurries to him, embarrassed)
I'm sorry I warned them not
to make me **play/stay**.

MIKE

No way. No, no no. That's... that's... don't...

(Mike grins and she smiles, relieved. A BELL RINGS, class over.)

MIKE

You're Isabella, **right/yes?**

BELLA

Just Bella.

MIKE

Yeah Yeah , I'm Mike. Newton.

(He looks at her a second too long, clearly taken by her - Suddenly, Jessica appears, stepping between them. Subtle, but possessive as she nudges Mike.)

Bella

Nice to meet you

JESSICA

She's got a great spike, huh?

(to Bella)

So, you're from Arizona, right?

Aren't **people/girls** supposed to look really tan?

BELLA

Yeah, Maybe that's why they kicked me **off/out**.

Mike (laughs, and because he does, Jessica does. Bella just feels uncomfortable with the attention..)

You're good!

JESSICA

That's so funny

d.- in the school canteen

ERIC

Hey, Mikey, you met my home girl Bella.

MIKE

Your home girl?

That's... My girl! (black boy kisses Bella, Mike runs after him)

JESSICA

(to Bella)

Oh my God It's like first **grade/class** all over again, and you're the shiny new toy.

(Bella smiles awkwardly.)

ANGELA

Smile!!!!

(Suddenly, a FLASHBULB blinds Bella.

She looks up at the photographer, ANGELA, Jessica's sweet, low key, insecure friend.)

Sorry, needed a candid for the feature

ERIC

Feature's dead, Angela. Don't bring it

up again.
(to Bella)
I got your back, baby.

ANGELA (disappointed)
Guess we'll just run another editorial on
teen drinking.

BELLA
You can always go for **eating/sleeping** disorders,
or Speedo padding on the swim team

ANGELA
Kirk. Right? That's exactly what I thought.

--Actually, that's a good one... We're talking Olympic size ...

e.- The Cullens enter the canteen

BELLA
Who are they?

ANGELA
The Cullens.

(Jessica leans in, swinging into gossip mode.)

JESSICA
Doctor and Mrs. Cullen's foster
kids. They all moved down here
from Alaska like a few **years/months** ago.

ANGELA
They kind of keep to themselves.

Enter Rosalie and Emmett

JESSICA
Because they're all together.
Like, together together. The
blonde girl, that's Rosalie, and the big
dark-haired guy, Emmett..

JESSICA
... they're a **hit/thing**. I'm not even
sure that's legal.

ANGELA
Jess, they're not actually related.

JESSICA
Yes, but it's weird
But they **study/live** together. And the
little dark haired girl, Alice,
she's really weird..

.

JESSICA

... she's with Jasper, the blonde who looks like he's in **pain/jail**.
I mean, Dr. Cullen's like this foster dad slash match maker.

ANGELA

Maybe he'll adopt me.

(Bella laughs, liking her... then sees the last Cullen to enter EDWARD, 17. Lanky, with untidy, bronze colored hair. He seems inwardly turned, mysterious. More boyish than the others. But the most striking of all. Bella can't take her eyes off him.)

BELLA

Who's he?

JESSICA

He's/That's Edward Cullen.

(Suddenly, Edward looks over, as if he heard Jessica from across the room. His eyes meet Bella's. But he seems.. confused. Bella quickly looks away.)

JESSICA

He's totally gorgeous, obviously.
But apparently, no one here is good enough for him. Like I care.
(she obviously does)
So, seriously, like don't waste your **time/life**.

BELLA

I wasn't planning on it.
