

# South Africa Map - TEENS

## Group Project Work:

- Find information about South Africa: geography, climate, population, history, important cities, apartheid, Nelson Mandela, etc.
- Produce as many visual as possible: photos, pictures, maps, etc
- Make a presentation offering videos, podcasts, etc
- If possible watch INVICTUS to have an idea of what happened in the 20<sup>th</sup> century and Nelson Mandela's influence, importance, relevance in the country.
